

## Calendula 100ml

PROD16335

**£5.50**  
**£6.60 inc VAT**

### Product Description:

*Calendula officinalis*

Extraction: The plant does not produce a fixed oil but a macerated oil is produced by steeping the flowers in a sunflower oil, giving a deep orange oil.

- Often used for sore, inflamed or itchy skin, cracked and chapped skin, broken veins, bruises, eczema, cuts.
