Product Description:

(Lavandula angustifolia)
Country of Origin: France
Aroma: Sweet, floral herbaceous with a pleasant, balsamic-woody undertone.
- Lavender is commonly used for insomnia (1 drop on a tissue of cotton-wool under the pillow at bedtime)
- It is useful for treating burns, cuts, grazes, sunburn, insect bites, dermatitis, eczema, boils and acne
- Its harmonising and balancing effect make it useful for stress, calming the mind, alleviating fears and emotional agitation

Compliments: Most other essential oils
