Product Description:

Simmondsia chinensis

Extraction: A pale golden liquid wax (not an oil), cold pressed from the beans.

- It has a faint, slightly sweet smell.
- It has good thermal stability and does not become rancid, therefore it has a long shelf-life.
- Anti-inflammatory and it has been used in blends for arthritis and rheumatism.
- Good for all skin types and used for dry scalp, psoriasis, eczema, sunburn, chapped skin, nappy rash, acne.
