

## Lavender (spike) 50ml

PROD60836

**£9.00**

**£10.80 inc VAT**

### Product Description:

(Lavandula latifolia)

Country of Origin: Spain

Aroma: Herbaceous, camphor like.

- Due to the higher level of oxides, Spike lavender is more effective in treating respiratory & breathing problems and chest complaints than true lavender
- More stimulating than true lavender
- Has more analgesic and anti-septic properties in the treatment of skin problems

Compliments: Most other essential oils
