Product Description:

(Rosmarinus officinalis)

Country of Origin: Morocco

Aroma: Strong, fresh, woody, herbaceous top note with a clean-woody-balsamic middle note and a dry herbaceous base note.

- Traditionally used in skin and hair care, reputed to stimulate hair growth and prevent premature baldness
- Useful for catarrhal conditions, bronchitis, asthma and sinusitis
- Analgesic properties make it useful for rheumatism, arthritis and tired, stiff, overworked muscles
- Aids poor concentration and nervous debility

Compliments: Basil, Chamomile, Lavender, Marjoram, Peppermint, Cedarwood, Spice oils
