£4.50

£5.40 inc VAT

Product Description:

Sesamum indicum
Extraction: cold pressing of the seeds
- A very stable oil as it contains natural antioxidants.
- The oil is high in Vitamin E, B complex, and calcium, magnesium and phosphorous.
- Very good moisturising properties and excellent for massage when added at 20% to other vegetable oils.
- Has been found to be beneficial for rheumatic and skin conditions, for psoriasis, dry eczema and broken veins.
