Product Description:

(*Vetiveria zizanioides*)

Country of Origin: Haiti

Aroma: Deep, smoky, earthy, woody, reminiscent of roots and wet earth

- Said to strengthen the body's connective tissue and be beneficial for weak, loose or fatigued skin
- Often used for arthritis, rheumatism and muscular pain to warm and increase circulation
- With relaxing properties, it is helpful for stress, anxiety, insomnia or depression; and the physical, mental and emotional exhaustion
- May reduce the symptoms of menopause or pre-menstrual tension such as hot flushes, weepiness and depression

Compliments: Clary Sage, Lavender, Jasmine, Rose, Sandalwood, Ylang Ylang.
